Writing-Part 1

Write on the following topic:

Being online is helpful, but it can also be risky.

Plan and **write** a two-paragraph report, not less than (12 sentences) explaining **common online risks** and **giving useful safety tips to help people protect their information and stay safe online.**

Introduction

Have you ever asked about online risks?

Paragraph 1: (Online risks)

Topic sentence:

First, there are many risks online.

Supporting details:

giving personal information / giving card number / shopping from untrusted sites.

Concluding sentence:

We should be careful about these risks.

Paragraph 2: (Tips to stay safe online)

Topic sentence:

Second, there are some tips to stay safe online.

Supporting details:

Never share personal information / Never give your card number / Never shop from untrusted sites.

Concluding sentence:

These tips will surely protect us against scams.

Conclusion:

By these safety tips, and only by these safety tips, we can fight scams.

Write your report here:

Have you ever asked about online risks? First, there are many risks online. For example, some people give personal information. They give card numbers. Also, other people may shop from untrusted sites. We should be careful about these risks.

Second, there are some tips to stay safe online. For example, we should never share personal information. Never give your card number. Also, never shop from untrusted sites. These tips will surely protect us against scams. By these safety tips, and only by these safety tips, we can fight scams.

Writing-Part 2

Write on the following topic:

We use AI chatbots to answer questions, play music, or give us directions. When we buy things online, we often talk to a chatbot

Plan and **write** a two-paragraph expository report, not less than (12 sentences) explaining **how AI chatbots are used in our daily lives, their benefits,** and **their limitations**. Give examples from school, work, or home.

Introduction

Have you ever asked about the benefits of chatbots?

Paragraph 1: (The benefits of chatbots)

Topic sentence:

First, there are many benefits of chatbots.

Supporting details:

they can answer questions / They can draw pictures

They can give advice/ information

Concluding sentence:

AI chatbots are very useful.

Paragraph 2: (The limitations of chatbots)

Topic sentence:

Second, there are limitations for chatbots.

Supporting details:

incorrect information / cannot fully understand feelings or complex situations/

Concluding sentence:

In schools, AI can help students

Conclusion:

By chatbots, and only by chatbots, we can live the future.

Write your report here:

AI Chatbots

Have you ever asked about the benefits of chatbots? First, there are many benefits of chatbots. For example, they can answer questions. They can draw pictures. Also, they can give advice and information. In schools, AI chatbots can help students. At work, chatbots can respond to customer questions. AI chatbots are very useful.

Second, there are limitations for chatbots. For example, they could give incorrect information. Sometimes, they cannot fully understand feelings or complex situations. By chatbots, and only by chatbots, we can live the future.

Vocabulary-Part 1
